## What is a DUNS NUMBER?

The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one system.

Embassy Belmopan urges prospective applicants to immediately confirm their organization has a current Dun and Bradstreet (DUNS) number and if not it is to register for one as it is mandatory for the award process.

What is a Dun's number: Dun & Bradstreet (D&B) provides a DUNS number, a unique nine-digit identification number, for each physical location of your business. DUNS number assignment is free for entities required to register with the U.S. Federal Government for contracts or grants. There is NO fee to register for this site. Entities may register at no cost directly from this page. User guides and webinars are available under the Help tab.
